**The Public Health Notice for Leonard Lake posted September 2018 has been lifted as of Thursday, June 6, 2019**

The Simcoe Muskoka District Health Unit (SMDHU) lifted all public notices for Blue-green Algae including Leonard Lake and the SMDHU website has been updated accordingly. Here is a link to the notice on the health unit website: [http://www.simcoemuskokahealth.org/Topics/SafeWater/bluegreenalgae\\_copy1.aspx#f0106af6-4016-47ad-9deb-8e262ab6e3b5](http://www.simcoemuskokahealth.org/Topics/SafeWater/bluegreenalgae_copy1.aspx#f0106af6-4016-47ad-9deb-8e262ab6e3b5)

Note from the LLSA board: the blue-green algae sighting in September 2018 was reported to the Leonard Lake water quality (WQ) team by a lake resident. We ask you to continue to keep “Eyes on the Lake” and immediately report any unusual water conditions to a WQ team member (see below) If possible take a

picture right away and send it with details and location to [leonardlakemuskoa@gmail.com](mailto:leonardlakemuskoa@gmail.com)

A team member will visit the sighting ASAP and take a sample if required. The WQ team maintains a full log dating back to 2017 so that trends can be documented and monitored.

Ken 705-764-1695, Esther 705-764-0494, Gord 705-764-1087, Betty 705-764-0081, Bruce 705-764-5454, Mark G. 705-764-1675, Sharon 705-764-1392. We are pleased that new members have joined the WQ team this year and will be added to the contact list in the near future.

---

(TO RENT): Pontoon boat for the July 19 - 21st weekend.

Please contact Lynn Jewell Coon at your earliest convenience at [ljewelcoon@gmail.com](mailto:ljewelcoon@gmail.com)

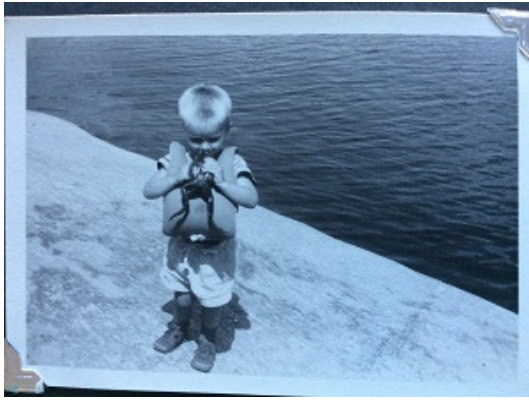

---

### LEONARD LAKE HISTORY

Brenda Tryon shared these memory pictures dating from about 1957 to 61. BT says..."I guess we didn't wear life jackets back then..bullfrogs were plentiful pets and there were perch and catfish in the lake" (Not to mention pirates!)

---

*Thinking of renting or selling your cottage this year? Send us an ad to [leonardlakemusoka@gmail.com](mailto:leonardlakemusoka@gmail.com) and we'll post it in the LLSA EBLAST*

---

### NOT A PRETTY SIGHT!

Garbage was left Wednesday, June 5<sup>th</sup> on the right hand side of Leonard Lake Road 2 (coming out) about 100' in from the highway. The mess looked like the remnants of a party! This is a good time of year to post garbage and recycle rules for family and guests advising that no rubbish can be left by the side of the road unless it's placed in an animal proof container. Big thanks to Scott Lucas and Jim and Phyllis Morgan for clean up.
