### Simcoe Muskoka Health

<http://www.simcoemuskokahealth.org/Topics/COVID-19#>

As of Monday, July 13, 2020, when you enter into a public indoor space a (e.g. grocery store, community centre, shopping mall, hair salon, library, place of worship, etc.), or use a public transit service in Simcoe Muskoka, you will be required to wear a face covering.

Last summer, and it appears to be starting yet again this season, a baggie of dog poop has been regularly dropped just in front of a resident's refuse bin on road two. This is not only disrespectful, the owner is hopping mad about it! If you are the culprit or know who might be, please do the right thing.

Thanks to Mark Agro for reporting a lost Mistral windsurfer that arrived at his shoreline on the east side of the lake off Glen Gordon Road. Please contact Mark at 289-230-4950 to recover your board.

### LEONARD LAKE PHOTOS

Thanks to those who have taken the time to share pictures and memories. There is much on all of our minds right now and a few smiles or laughs can be a welcomed diversion. We are always looking for lake pictures to share - people, scenery, times gone by, local flora and fauna, activities, etc. Any season will do!
